

PREMIUM POTATOES

High-quality potato with care, meeting international export standards from Pakistan

ABOUT US

Trading World is a trusted exporter from Pakistan, supplying fresh, high-quality potatoes to global markets. Our focus on quality, consistency, and timely delivery has helped us build lasting partnerships worldwide.

ASTERIX POTATOES

Our main export variety, Asterix, is Pakistan's most demanded potato.

Key Features:

- ✓ Red skin
- ✓ Yellow flesh
- ✓ Ideal for fries
- ✓ Firm and long lasting

All Asterix potatoes are cleaned, graded, and packed to meet export standards.

OTHER VARIETIES

We also supply Lady Rosetta, Hermes, Fontane, Innovator, Caesar, Santana, and Sagitta each crop carefully selected for international quality and freshness, graded to export standards, and packed to preserve texture, flavor, and shelf life from farm to final destination.

QUALITY AND PACKAGING

We deliver every order with strict quality control and food safety compliance at every step from vetted suppliers and hygienic handling to certified storage and on time, temperature safe delivery. To help you stand out on the shelf, we also offer custom and private labeling options in house, so you can launch faster with packaging that matches your brand and regulatory requirements.
